

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER
SIR WILFRID LAURIER SCHOOL BOARD

February 3, 2017

Dear Parent,

The Ministère de l'Éducation et l'Enseignement supérieur (MEES) has mandated compulsory examinations at the Cycle 3, Year 2 level in English Language Arts and Mathematics. These examinations are scheduled by the MEES to take place in April-June 2017. **The results of these exams will be worth 20% of the students' final result for the year.**

If a student is absent from an exam, the school board must submit evidence to the Director of Sanction des Études which addresses the reason for the absence.

Here are the reasons accepted with proof:

- Serious illness or accident confirmed by a medical report or certificate.
- Death of a close relative.
- Court summons.
- Participation in an important event, for which the coordinator for the certification of studies in general education in the youth sector of the Direction de la sanction des études has given its approval beforehand.

Traditionally, grade 6 examinations may start as early as the middle of April 2017 and end sometime in June 2017. It is important to note that absences for reasons other than those listed above are not acceptable and will result in a grade of zero for the exam.

Sincerely,

Tina Korb
Director of Educational Services
